# What is GeoBlue Navigator™?

Worldwide medical coverage designed for maritime crews and employers.

The GeoBlue Navigator health plan is designed to meet a crew member's need for comprehensive worldwide benefits—inside and outside the U.S.—without the typical limits, eligibility conditions and benefit exclusions common among traditional plans.

GeoBlue Navigator is the premier maritime health plan because it combines these benefits with concierge-level medical assistance and easy access to an elite community of carefully selected hospitals outside the U.S. and a network of over 700,000 doctors and hospitals inside the U.S. GeoBlue Navigator gives crews peace of mind, knowing they always have the freedom to access top medical care and benefits no matter where their voyages take them.

# Meet GeoBlue, an experience well beyond that of traditional health insurance.

GeoBlue provides unsurpassed service and the convenience of mobile technology to access the best medical care no matter what town, country or time zone.

### Easy Access to an Elite International Provider Community

GeoBlue has a network of doctors that includes almost every speciality you may need in over 180 countries.

Only a small fraction of doctors around the world meet GeoBlue standards – participation is by invitation only. We seek out professionals certified by the American or Royal Board of Medical Specialties who speak English, and we factor in recommendations from over 148 Physician Advisors from all over the world. Then we assemble in-depth profiles so our members can choose with confidence, and we put formal contracts in place to ensure patient access. Once they've seen you, GeoBlue doctors bill us directly so you don't have to file a claim.

In the U.S. you have cashless access to the Blue Cross and Blue Shield network in all 50 states.

### Strength of the Blue Brands in the U.S.

GeoBlue members have access to the Blue Cross and Blue Shield network within the U.S.

More than 90 percent of physicians and more than 80 percent of hospitals across the U.S. are a part of the BlueCard Network.

### Emergency Evacuation and Centers of Excellence

GeoBlue coordinates emergency services with a worldwide network of contracted Physician Advisors as well as air ambulance operators selected for their safety records. Members in need of life-saving medical intervention are treated in Centers of Excellence in the U.S. and around the world whenever possible.

### Around-the-Clock Assistance Call Center

GeoBlue maintains a 24/7, toll-free call center to assist GeoBlue members with everything from routine requests to medical emergencies. The GeoBlue staff has years of experience with international medical assistance and has close working relationships with its International Provider Community.

# How to Apply

Applications are available online or may be initiated by telephone or email. See back cover for details.

A personal check, money order or credit card number must accompany the application and must be sufficient to pay for one month of standard premium. GeoBlue will hold the form of payment until an underwriting decision is made. If your application is accepted, the payment will be applied to your account. Quotes obtained online or by telephone are advisory only. Actual premium is determined by the medical underwriting process.

GeoBlue will review your medical history as provided on the application and may request an Attending Physician's Statement. GeoBlue publishes standard premium rates for non-smokers. Smokers and other applicants with certain medical histories may be offered a policy at a higher rate. Not all applicants will be accepted. Your effective date of insurance will be on the 1st or 15th day of the month following underwriting approval.

### Member Welcome Kit

When your application is accepted, GeoBlue will mail you and any family members covered under the plan a Welcome Kit with identification cards, a certificate of insurance and instructions on how to register online. Procedures for filing a claim or requesting direct payment of participating providers will also be included.

### Eligibility

GeoBlue Navigator is designed for extended living abroad. You can choose to enroll in a new plan when your existing plan expires. When you do, there are no medical questions and premium rates do not change based on your individual claims history. Your new rate will be the same as all persons covered in your rating class.

### How Coverage Ends

Your coverage ends on the earlier of:

- 1. The last day of the month after the date the Insured Person is no longer eligible;
- 2. The end of the last period for which premium has been paid;
- 3. The date the Policy terminates;
- 4. The date of fraud or misrepresentation of a material fact by the Insured Person, except as indicated in the Time Limit on Certain Defenses provision.

### Extension of Benefits

If an Insured Person is Totally Disabled on the date of termination of the Policy, coverage will be extended until the earlier of:

- 1. The date payment of the maximum benefit occurs;
- The date the Insured person ceases to be Totally Disabled; or
- 3. The end of 90 days following the date of termination.

### Pre-existing conditions

The GeoBlue Navigator plan does not cover services for treatment of a medical condition for which medical advice, diagnosis, care, or treatment was recommended or received during 365 days immediately preceding the member's eligibility date.

### Creditable coverage

The 365-day pre-existing conditions period can be reduced or eliminated if you have been covered by a creditable group or individual health insurance plan.

### Licensed & Admitted

This policy is a U.S. Admitted plan and affords members unique protections not available on most offshore plans.

### 7. Conditions of Application

### It is important that you carefully read and fully understand the following.

I, the undersigned, understand that, under the GeoBlue Navigator for which I am applying, I may be entitled to lesser benefits if I use a nonparticipating hospital, physician, or other provider, than if I use a participating hospital, physician or other provider.

All applicants age 18 and over must personally read, agree to, and sign the following. If an applicant does not read English, the translator must sign and submit the Statement of Accountability, Section 9, for translating this entire application.

### **Effective Date**

If you currently have health coverage, we strongly recommend that you maintain your current coverage, and allow us to assign your effective date FOLLOWING APPROVAL. If, however, you would like to request a specific effective date, we strongly recommend you allow 30-60 days for underwriting. This will help ensure that your application is processed before you surrender your present insurance and will prevent you from being required to pay for two policies.

NOTE: If a child is born to the participant the child has to be registered within 31 days. All other children including adopted children must go through underwriting.

I request that GeoBlue Navigator assign my effective date if	i
my application is approved. My effective date will be assigned as eith	ner

- If my application for GeoBlue Navigator coverage is accepted as applied for, the coverage date will be as specified above, but I agree I have no coverage under this application until I am notified in writing by GeoBlue that my application is approved.

- I understand that GeoBlue has the right to deny my application and if it does so, I will be notified in writing and the premium I submitted will be returned.
- MINOR CHILDREN: I represent that I have made such investigations as are necessary to assure the truth and accuracy of all statements made in this application regarding minor children.
- 5. CONCERNING DEPENDENTS AGE 18 AND OVER: I represent that my dependents age 18 and over (1) have read this application and have provided such full and accurate information necessary to complete this application, (2) I have discussed all provisions of this application, especially Sections 6A, 6B, 6C and 6D with them and (3) all information contained in this application regarding them is complete and accurate.
- 6. I understand and agree that if GeoBlue rejects my application, under no circumstance will any benefits be payable for any person listed on this application. Receipt of money, and/or cashing of my premium check or charging this amount to my credit card by GeoBlue does not constitute approval of my application or create GeoBlue Navigator coverage.
- 7. If I am accepted, this application will become part of the agreement between the insurance carrier and myself.
- GeoBlue may request additional information, and this may delay processing of this application. If the health care provider charges a fee for these services, GeoBlue will determine payment, and I will be responsible for any difference.
- The selling agent has no authority to promise me coverage or to modify underwriting policy or terms of any GeoBlue Navigator coverage.
- 10. I have personally read and completed this application. Nothing has been left off regarding the past or present health of anyone listed on this application. I understand that no one listed is eligible for benefits if any information on this application is false, incomplete or omitted. GeoBlue may void all coverage from the original effective date of the agreement for such material intentional misstatements or omissions. If the family member is a minor, I accept full legal and financial responsibility for the coverage and information provided on this application.

PLEASE NOTE: If the listed minor dependent does not reside with the applicant purchasing this plan, the custodial parent or guardian must complete the Health History Section and sign the Conditions of Application accepting legal responsibility for full and complete disclosure of the minor applicant, including any history of substance abuse. Also, if the responsible adult is not the natural parent, please submit court papers authorizing guardianship.
