Notice to Vermont Residents:

U30000DDBG

Vermont law requires that health insurers offer coverage to parties to a Civil Union that is equivalent to coverage provided to married persons. This endorsement is made a part of and amends the Policy or Description of Coverage on the later of: (1) 3/1/2009; or (2) the Policy Effective Date; or (3) the Description of Coverage Effective Date, to which this Endorsement is attached. It is subject to all of the provisions, limitations, and exclusions of the Policy or Description of Coverage except as they are specifically modified by this Endorsement.

1.The definition of Civil Union is added to and made a part of the Definitions section.

Civil Union – means that two eligible persons have established a relationship pursuant to 15 V.S.A. chapter 23 of Vermont's Statutes and may receive the benefits and protections and be subject to the responsibilities of spouses.

2.The definition of Party(ies) to a Civil Union is added to and made a part of the Definitions section.

Party(ies) to a Civil Union – means an Insured who has established a Civil Union with another person pursuant to 15 V.S.A. chapter 23 and 18 V.S.A. chapter 106.

3.The definitions, terms, conditions or any other provisions of the Policy, Description of Coverage, and/or Riders and Endorsements to which this mandatory Endorsement is attached are hereby amended and superseded as follows:

Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as “marriage”, “spouse”, “husband”, “wife”, “dependent”, “next of kin”, “relative”, “beneficiary”, “survivor”, “immediate family” and any other such terms include the relationship created by a Civil Union.

Terms that mean or refer to the inception or dissolution of a marriage, such as “date of marriage”, “divorce decree”, “termination of marriage” and any other such terms include the inception or dissolution of a Civil Union.

Terms that mean or refer to family relationships arising from a marriage, such as “family”, “immediate family”, “dependent”, “children”, “next of kin”, “relative”, “beneficiary”, “survivor” and any other such terms include family relationships created by a Civil Union.

4. As provided in this Endorsement the term child or covered child shall mean a child (natural, stepchild, legally adopted child, a minor, or a disabled child) who is: (1) dependent on the Insured for support and maintenance; and (2) born to or brought to: (a) a marriage; or (b) a Civil Union established according to Vermont law.

5.The defined terms Eligible Spouse or Insured Spouse, or the term spouse, wherever they appear in the Policy, Description of Coverage, Rider, Endorsement, and/or Application are deemed to include a Party to a Civil Union.

THIS ENDORSEMENT IS NOT MEANT TO PROVIDE DEPENDENT COVERAGE IF DEPENDENT COVERAGE IS NOT PROVIDED UNDER THE POLICY.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to Parties to a Civil Union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a Party to a Civil Union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a Party to a Civil Union if the public

employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, Parties to a Civil Union and their families may or may not have access to certain benefits under the Policy, Description of Coverage, Rider, or Endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under the Policy.
